

CD Research Fellowship

4-5-Session Mentorship Plan

Online | 1-on-1 with Professor/Professional

 Updated Format

Program Summary

- **Objective:** To mentor a motivated school student through a mini research journey—culminating in a literature review, conceptual paper, or prototype.
 - **Mode:** 4-5 live 1-on-1 sessions (45–60 minutes each) with a professor/professional.
 - **Note:** Any shorter sessions will be balanced with internal guidance support.
 - **Outcome:** Learning exposure, structured research/project experience, and a Letter of Recommendation or Certificate attested on official letterhead.
-

Session-Wise Breakdown (5 Sessions)

Session	Focus Area	Professor's Role	Student Outcome
1. Orientation & Topic Finalization	Understand student interests, finalize topic & research question	Help identify 1–2 research areas; guide framing a good question; recommend initial readings	Finalized topic & researchable question
2. Domain Deep Dive & Literature Guidance	Introduce the field, key ideas, and methods to find literature	Recommend key readings; explain how to approach and synthesize papers	Annotated bibliography + foundational understanding
3. Research Design & Planning	Develop hypothesis, research structure, or project prototype plan	Help structure the approach and refine project roadmap	Project outline or research design ready

4. Review & Draft Feedback	Review initial drafts/prototype and give detailed feedback	Guide on coherence, critical thinking, and originality	Improved draft or prototype with actionable edits
5. Final Review & Presentation + LOR Review	Student presents final work and learnings	Evaluate work; offer feedback and, if qualified, issue LOR	Final version submitted; presentation done; LOR if applicable

Internal Team Support

To ensure a smooth journey, our internal team will:

- Guide in between sessions
 - Help with sourcing papers and summaries
 - Provide reminders, timelines, and templates
 - Support drafting and editing outside of professor time
-

Student Deliverables

- **Final Output:** Literature Review / Conceptual Paper / Prototype
 - **Presentation:** Summary of research journey and findings
-

Time Commitment from Professor/Professional

- **5 sessions × ~60 mins each**
- **Optional:** ~30 mins for LOR preparation/review
